**THE STATE OF NEW HAMPSHIRE
TOWN OF RICHMOND
TOWN WARRANT
MARCH 13, 2012**

The polls will open from 11:00 AM to 7:00 PM

To the inhabitants of the Town of Richmond, in the County of Cheshire, in said State of New Hampshire, qualified to vote in town affairs:

You are hereby notified to meet at the Veterans Hall in said Richmond on Tuesday, the 13th of March next between eleven (11:00) o'clock in the forenoon and seven (7:00) o'clock in the afternoon to act on the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing.

Articles 2. - 8. Amendments to the Zoning Ordinance **AMENDMENTS TO THE ZONING ORDINANCE**

Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the Town of Richmond Zoning Ordinance as follows:

To rewrite and reorganize Article 3? The purpose of Amendment #1 is to edit language so that the section is more understandable. Some of the specific changes to the section are: (1) 301 Ruins – which moves the reference to nonconforming structures to Article 9; (2) to add a provision for fences (314); (3) to add a provision for temporary signs; and (4) to relocate the Cluster Development section from Article 4 to Article 3.

Yes No

Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board for the Town of Richmond Zoning Ordinance as follows:

To rewrite the provisions for Cluster Development (Section 406)? The purpose of Amendment #2 is to provide specific standards for lot size, frontage, access, common open space, and density for Cluster Development, and include a process for the applicant to earn up to a 25% increase in density. The intent of the changes is to make this option more appealing to property owners by providing incentives for its use, consistent with Master Plan recommendations regarding housing opportunities and protection against sprawl.

Yes No

Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board for the Town of Richmond Zoning Ordinance as follows:

To rewrite and reorganize Article 4? The purpose of Amendment #3 is to edit language so that the section is more understandable. Specific changes to the section are: (1) to state clearly which uses are permitted by right, which are permitted by special exception, and to identify permitted accessory uses; (2) to allow a two-family dwelling on three acres instead of six acres; (3) to clarify the lot and yard requirements, including changing the front setback from 83 feet from the center of the road to 50 feet from the front property line so that there will be consistency in this measurement; and (4) to delete the provisions for Conversion Apartments (405) because they are made redundant by the revised provisions for Accessory Dwellings and Multi-Family Dwellings. These changes are consistent with Master Plan recommendations speaking to the needs of an expanding, aging, and retiring population, and to provide opportunity for small-scale commercial and light industrial use in town.

Yes No **AMENDMENTS TO THE ZONING ORDINANCE**

Are you in favor of the adoption of Amendment #4 as proposed by the Planning Board for the Town of Richmond Zoning Ordinance as follows:

To rewrite the provisions for Accessory Uses and Accessory Dwelling Units (Section 407)? The purpose of Amendment #4 is to: (1) provide clarity regarding uses that are permitted as accessory to principal uses; (2) to provide more specific standards for Accessory Dwelling Units, including removing the requirements for documentation of the owner-occupied status; and (3) to relocate the provisions for Cluster Development into Article 3. These changes are consistent with Master Plan recommendations speaking to the needs of an expanding, aging, and retiring population.

Yes No

Are you in favor of the adoption of Amendment #5 as proposed by the Planning Board for the Town of Richmond Zoning Ordinance as follows:

To rewrite Article 9 – Nonconforming Uses? The purpose of Amendment #5 is to provide specific provisions for nonconforming lots, buildings and uses, which all have different issues and impacts and need to be addressed separately.

Yes No

Are you in favor of the adoption of Amendment #6 as proposed by the Planning Board for the Town of Richmond Zoning Ordinance as follows:

To rewrite Article 11 – Board of Adjustment (and renumber it to Article 10 and renumber Enforcement and Administration to Article 11)? The purpose of Amendment #6 is to provide specific provisions for the four essential responsibilities of the Board of Adjustment. Other specific changes include: (1) to rewrite the criteria for Special Exceptions that apply generally to all special exception uses, removing the existing criteria that more appropriately belong in Site Plan Review with the Planning Board; (2) to provide criteria for multi-family uses including changing the minimum lot size from three acres per unit to three acres for the first unit and 10,000 square feet for each additional unit; and (3) to establish specific standards for home occupations, commercial and light industrial uses, and recreational uses, none of which currently exist. These changes are consistent with Master Plan recommendations speaking to the needs of an expanding, aging, and retiring population, and to provide opportunity for small-scale commercial and light industrial use in town.

Yes No **AMENDMENTS TO THE ZONING ORDINANCE**

Are you in favor of the adoption of Amendment #7 as proposed by the Planning Board for the Town of Richmond Zoning Ordinance as follows:

To rewrite Article 16 – Definitions? The purpose of Amendment #7 is to provide definitions for uses newly-identified in the Ordinance, add definitions for some uses that are not currently defined, and revise others for clarity and compliance with state law, and renumber the entire section for ease of use.

Yes No

Amendments to the Zoning Ordinance

Article 2. Are you in favor of the adoption of Amendment 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Article 401.7 adds the delineation of the House of Worship to the Residential District, 1657 adds the definition for House of Worship, and 401.6 and 1101.1 are both amended to remove House of Worship.

401.7 – Residential District: Notwithstanding any other provision in this Ordinance, houses of worship (see definition 1657) shall be permitted by right in an area along the major highways in Richmond, NH, Routes 119 and 32, all buildings and infrastructure, including parking and impermeable surfaces shall be located on land within 500 feet of the said highways right-of-way.

1657 – Definitions: Houses of worship shall be defined as a building set apart for public worship, a venue for any religious group that can provide written documentation (501(c)(3)) that the US Internal Revenue Service has determined that it qualifies for the tax exempt status as a religious organization. Dwellings for residential purposes as a principal use do not qualify as a house of worship even if religious instruction is provided there because such instruction is considered incidental to the principal use of the structure.

401.6 – Residential District: Manufacturing, Commercial use may be permitted, by Special Exception, subject to the conditions of section 1101.1 of this ordinance. [Adopted March 12, 1996] [Revised- March 12, 2002]

1101.1 – Board of Adjustment Powers and Duties - Special Exceptions: The Richmond Board of Adjustment may, in appropriate cases and subject to appropriate conditions and safeguards, make special exceptions to the terms of this Ordinance to permit manufacturing and commercial use in the residential district. All exceptions shall be made in harmony with the general purpose and intent of this ordinance and shall be in accordance with the general or specific rules contained in the ordinance. All lot size, frontage, setbacks and other requirements, as stated in this ordinance for residential dwellings, shall apply as a minimum to special exceptions. The board, in acting on an application, shall determine that the following criteria are met: [Revised - March 12, 1996] [Revised - March 14, 2000] [Revised - March 12, 2002]

Town Report Board of Selectmen

Thank You!! To our devoted, skilled and enthusiastic staff! To the many volunteer elected and appointed town officials for their commitment to a successful and effective town government! To the 'too many to count' dedicated volunteers who keep the town beautiful, produce amazing community events for all residents, and make our library, cemetery, parks, beaches and recreation programs possible! We salute you all and thank you for your endless hours of work for our town.

This year the Select Board:

- Installed new safety barrier windows in compliance with DOL requirements
- Completed town hall office and public spaces refurbishment, creating room for members of the public to observe meetings
- Upgraded office technology
- Completed remaining repair work on library roof and CD building
- Secured NH DOT Bridge Aid to replace Fay Martin Bridge over Tully Brook and signed contract with Quantum Construction for engineering work
- Engaged new Assessing firm. Changed date for town-wide revaluation from 2014 to 2012, saving \$20,000, with contract that includes new assessing and tax software, plus new tax maps.
- Secured tax-free gasoline and diesel fuel for town vehicles
- Adopted the following new policies: Purchasing policy, Invoice Payment policy, Employee Reimbursement policy and Town Fuel Use policy
- Instituted appointment process for Selectmen's meetings

As always, you are invited to observe all meetings and meet with us by appointment. We welcome your comments, ideas and opinions to make the community stronger.

TOWN CLERK'S REPORT DECEMBER 31, 2011

On March 9, 2010, a question was placed on the ballot asking the voters “to approve of having 2 sessions for the annual town meeting in this town, the first session for choice of town officers elected by an official ballot and other action required to be inserted on said official ballot and the second session, on a date set by the selectmen, for transaction of other business.” This question passed with 252 voting Yes and 150 voting No. Until this provision has been rescinded, all future town meetings will be held in this manner. Thus, the 2011 Town Meeting was held on separate days.

The first session was held on March 8, 2011, concurrent with the Monadnock Regional School District election. Both elections had a 39% voter turnout (325 out of 828 registered voters). During the preceding 12-year period, voter turnout at Town Meeting had been as high as 62% (2003) and as low as 30% (2009).

The second session was held on Friday, March 11, 2011. Of the 131 attending registered voters, the majority voted to reduce the total Town budget by 3.9%. In particular, Article 7 of the Warrant pertaining to Election, Registration and Vital Statistics was reduced by 6.7%. As a result of the change in this Article, it was necessary for me to reduce several line items in my budget. The most significant reduction was the days that the office is open. Since May 1998, the office had been open 4 days a week. With the budget vote, I reduced that to 3 days a week.

Revenue increased slightly from the previous year. The \$165,297 collected in 2011 was more than the \$161,533 from 2010. For the preceding 10 years, the peak was \$187,764 in 2006. 1649 vehicle registrations were processed in 2011, compared to 1601 in 2010.

As I approach the end of my fourth year as your town clerk, one of my goals continues to be to further my education in order to serve you better. More than 20 years ago, the NH City & Town Clerks' Association and the NH Tax Collectors' Association worked together to create a Joint Certification Program. The words “Excellence in Public Service” appear on their seal and all aspects of this educational process are geared toward this end. After completing their 3-year program, I graduated in 2011 as a certified town clerk in the State of New Hampshire.

In closing, the Mission Statement of the Town Clerk's office continues to be “to serve all with integrity.”

Respectfully submitted,
Annette Tokunaga

The Tax Collector's mission is to collect as much tax revenue as possible to help the Town meet its financial obligations each year.

The Tax Collector is Responsible for the preparation and mailing of the tax bills based on information contained on the current tax roll certified by the Assessing Department.

The Assessing Department is responsible for the preparation of the tax roll, assessed values, exemptions, owner's name and address, address changes and the legal description of the property.

The property owner is responsible for knowing that taxes are due and payable twice a year. If you do not receive a bill for each property owned, please contact the Tax Collector's office. If you have a mortgage company that pays your taxes, please forward the bill to them.

Our services include: Collect Property Tax, Yield Tax, and Current Use Tax.

Throughout the State of New Hampshire, the tax year runs from April 1st through the following March 31st. Assessments of your property are computed as of the value on April 1st of each tax year. These assessments will appear on your property tax bill.

There are two bills issued per year; the first bill is an estimate based on one half of the previous year's tax. This bill is mailed out near the end of May and is usually due July 1st every year. The State of New Hampshire Department of Revenue Administration sets the tax rate for the year in the fall. The final bill is calculated using the new tax rate multiplied by your property's assessed value as of April 1st, less any payments made on the first bill. Ideally, the second bill is mailed by the end of October and is usually due December 1st each year. The way education is funded changed beginning with the 1999 tax year. A town-wide reassessment was completed for the year 2010.

TAX COLLECTOR'S REPORT
December 31, 2011

Steve M. Boscarino, CTC
Tax Collector

Denise Nolan
Deputy Tax Collector

Greetings to the Residents and Property Owners of Richmond,

As in previous years and in order to stay on top of property tax issues, Denise attended the annual work shop in Marlborough. On the recommendation of the Selectmen, the tax office installed new property tax software. The new municipal property tax vendor is AVITAR; the previous software vendor was Harris Computers, formerly MuniSmart. My deputy, Denise, and I have nothing but good things to say about the change. The one major change is that once the tax office and the selectmen's office become networked, property owner changes will automatically update the tax software, eliminating the need to manually input the changes via CD. Additionally, the tax warrants will be created by the selectmen's office and imported into the tax module; previously, the warrant and tax billing were all accomplished within the property tax software in the tax office.

No parcels were deeded by the town in 2011. One parcel up for deeding was waived for six months by the Selectmen pending a payment plan.

The 2011 property taxes decreased by 7.11% from \$24.76/thousand to \$23.00/thousand. The second issue 2011 property tax bills were mailed out on December 16th, 2011 and were due on January 30th, 2012. One thousand and fourteen tax bills totaling \$1,110,087 were mailed out for collection.

Again, it has been a tremendous pleasure serving the Town and its residents for another year.

Respectfully submitted,

Steve M. Boscarino, CTC

Greeting Richmond Residents,

In the spring of 2011 I was offered the open position of The Richmond Road Agent. Having known Dana for years, I have a lot of respect for him and wish him nothing but the best. I was hired to do a job and plan to do it to the best of my ability and with an open mind I believe you will be pleased with my service.

The first order of business was to meet with the contractors. I already knew Dan Firman and Buddy Blood, but had never met John Holman. As we spent the day accessing the town roads, I began to think what have I got myself into, but I knew I could do this with a little hard work. I began with fixing pot holes with Sur-Pac until grading could start after mud season.

The second order of business was Whipple Hill where over 100 loads of material were removed from the ditches and now the water is able to flow properly. I also replaced some culverts. I also hauled in some gravel to fill in some low spots and then graded the road. Next I went to Turnpike Road where I replaced a bad culvert and one that was missing. I also cleaned some ditches to stop water from running down the road. My next stop was Taylor Hill Road and continued to clean ditches and culverts. I then went to Bullock Road and with approval I removed a hazardous large tree, cleaned ditches, and prepped for grading. I continued to survey all the roads cleaning ditches and culverts as needed.

I waited for several dry days before I started grading the roads and over the next several weeks I spent most of my time mowing and grading all the roads. Mowing four feet deep saves future time in brush cutting. I also had most of the paved roads swept, this prevents moisture and helps preserve the pavement. I continuously clean culverts and ditches on a regular basis and have hauled 1 ½" stone to Fay Martin Road due to a persistent mud hole.

As Tropical Storm Irene approached we prepared ourselves for the worst and hoped for the best. Although there were some downed trees and power lines, we fared well. I went through every road and cleaned ditches and culverts as well as removing a lot of small branches and debris. I would like to thank John Holman, Ricky Whitney and Goodnow Logging for offering their help with anything I needed during this possible crisis.

I have spent time cleaning both in and outside of the town shed. The 16' x 16' shed is now sheet rocked and has a small heater. Soon the tools and supplies will be well organized and easily accessible. I have purchased some tools, culverts, and a large amount of gravel to have on hand when needed.

Whenever possible I try to save the town money by doing a lot of the work myself. This includes adding safety lights to the town truck and minor repairs. The truck is now equipped with a rented sand and salt spreader. I also personally graded every road in town twice and a few of them were done three times. As many of you know some

of our roads are in rough shape and until we can haul in a lot of gravel I have rented a York Rake. In the spring you will see the benefit to grading and raking the roads.

In October we received a surprising snow fall with more than 20 inches. At this time there was no plow contract, but thanks to John Holman and Dan Firman the roads were cleaned. Although the snow slowed things down, we did get to cut more brush on Whipple Hill and Cross Road to end the year.

I would like to thank John Holman and his crew for their help. They do an excellent job and keep the Town's best interests in mind. I would also like to thank all the residents who took the time to call or write me letters of appreciation. It makes it all worthwhile; everyone likes a pat on the back.

I look forward to 2012 and doing the best job I can for the town and its residents. You can call me anytime at 903-2184. Please keep in mind that this is Richmond and some parts of town have poor cell phone reception but will call you back as soon as possible. I also have a pager and can be reached at 603-517-6018.

Respectfully yours,

Mark Beal
Road Agent

Richmond Public Library 2011 Annual Report

This year the Richmond Public Library has made significant upgrades to the building as well as to its computer infrastructure. Children's programming remains strong, and at the end of year, the Library joined the NH Downloadable Books Consortium, allowing patrons to download audio and eBooks. We introduced a home services program, with an offering of larger print books and audio materials. One of our greatest strengths is our volunteers, who have helped with a variety of projects. However, we have been notified by the State of NH that volunteers cannot assist with any duties that appear in the Librarian's job description, including opening and closing the Library. Consequently, we are asking for approval of hiring a part-time assistant for 40 hours per year to cover the Librarian's vacation and sick days. If this is not approved, the Library will have to close on those days the Librarian is away.

This year for the first time, window air conditioners were installed in both the main reading room and the nonfiction room. Keeping the building at a constant temperature is important for protecting our library materials and computers. The front roof over the main reading room was replaced, which included the repair of several structural defects. Electrical problems were also addressed. In addition, interior changes were made which include a beautiful mural of Schoolhouse #6 that now hangs behind the Librarian's desk. This unique photograph shows the Library when it was used as a schoolhouse, and was recently discovered at the Cheshire County Historical Society. Through the collaboration of volunteers, this wonderful mural was donated to us in December. We hope you come by to see it soon!

Our children's program continues to grow with different offerings at a variety of times. From January to June Evelyn Winter-Pogorzelski offered a monthly "Pajama" story time featuring well-loved children's books and fun crafts. In October, Devon Garone and friends from Fairfield South Farm offered free pony rides behind the fire station. Wendy continued to offer weekly Wednesday morning story times throughout the year, which have been well attended. Kodah and Louie, therapy dogs from Monadnock Therapy Pets, with handlers Kate Simington and Shane Powell, made monthly visits. They offer gentle listening ears for children just learning to read or who wish to be more confident in their reading. In December we held a retirement party for Kodah, who retired after two years of volunteer service, and we look forward to reading with Kallie starting in January. The monthly story time for the younger students from the Immaculate Heart of Mary School continued during the school year. As always, if you would like to have a story hour or other program for your day care, home school group, or other children's group, just let us know. We would be happy to come to you!

For the second year we used the national summer reading program following the theme, "One World, Many Stories." We began the program in conjunction with the Richmond Recreation Committee in June with a great time under the Pavilion with summertime crafts,

games, and a barbeque. In July the children enjoyed “International Children’s Day” developed by volunteer Elaine Moriarty. The program had arts and crafts by Evelyn Winter-Pogorzelski; a visit to China by Gao Ping Richardson; French, Italian and Spanish lessons by Marie Juhlin; games and a worldly piñata by Elaine Moriarty; and a lunch consisting of foods from around the world. Then in August we were visited by Terry Reeves of the Mariposa Museum, who led an interactive program with folk art, clothing, toys, games, and stories from around the world.

In December we joined the NH Downloadable Books Consortium. We are proud to offer you best-selling and classic audiobooks and eBooks available 24/7 from <http://nh.lib.overdrive.com>. You can browse the collection, checkout or reserve items with your library card, and download titles to a PC, Mac, and many mobile devices including Amazon’s Kindle. Some audio titles can also be burned to CD to listen to on-the-go. Stop by the RPL and we will get you started. We look forward to opening this whole new world to the Town of Richmond!

We are pleased to report that circulation of materials has remained steady at around 8,000 transactions. Our automated system is entirely on-line with a total of 11,646 items. This year for the first time use of the state interlibrary loan system decreased, as we borrowed a total of 405 items and loaned 164 items to other libraries throughout the state. Funding cuts at the state level impacted this program, as it now takes longer for materials to move through the system. However, this continues to be an important service for our small library, as it allows us to borrow a variety of materials we could otherwise not afford. At the approximate cost of \$20.00 per item, we have saved the tax payers in our small town and statewide \$8,105, more than twice our annual material purchasing budget.

Use of the patron computers decreased to 456 visits over the course of the year. This decrease is partly due to individuals bringing in their own laptops to take advantage of our WiFi network, as well as only having one working computer for patron use for most of the year. Our aging computers were upgraded in September, and this is reflected in our statistics as patron use correspondingly doubled during the remaining three months of the year. Patrons are welcome to call the Library to reserve either patron computer for a ½ hour time slot. As always, parents are encouraged to come in with their children and supervise Internet sessions.

Unfortunately, due to Hurricane Irene, we had to cancel our annual Richmond Day book sale. Instead, we are holding an ongoing indoor book sale, with the featured genres changing every two months. This has been a wonderful success, raising \$135 between November and December. Thanks go to Bob and Jan Weekes, who created wonderful signage and arranged the materials.

We saved the raffle items from Richmond Day for our bake sale in November, which raised approximately \$430 to support the purchase of new books and materials. Thanks go out to Chris Bryan, Marie Juhlin, Bonnie McCarthy, Theresa Morin, Jan Weekes, and Steve Wyatt who put such effort into setting up, taking down, and maintaining the tables throughout the day. Special thanks go to the raffle contributors who include: Achille Agway, Bagel Works, The Colonial Theatre, Hannaford Supermarkets, The Herb Barn, Stonewall Farm, Toadstool Bookshops, Twinkletown Mini Golf, Marie Juhlin, Bonnie McCarthy, Elaine Moriarty, Terri O’Rorke, Deb Watson, and Evelyn Winter-Pogorzelski. And thanks to all of our patrons who took the time to bake and donate items for the sale. It is greatly appreciated!

This year we are pleased to announce the winners of the first ever “Elaine Moriarty

Volunteer of the Year Award”: Abigail and Gabrielle Connell. Both of the Connells are some of our longest serving volunteers, whose cheerfulness, even in the face of a huge pile of books to be re-shelved, has proved to be indispensable to us. We will celebrate this achievement with a reception during National Volunteer Week in April.

Our volunteer help is not just restricted to special events. Many volunteers give their time during the week at the Library to help keep things running smoothly. Marie Juhlin assists with general duties and is an expert at book covering. Susan Marsden helps sort and move the sale books within the Library. Megan Naso helps with bulletin boards and story time ideas and crafts. Trish Newton has been invaluable for various projects, and is always ready with her Kindle expertise to help with our new downloadable book program.

We are always looking for volunteers, ranging from a once a year commitment to help with our book and bake sales, monthly help with our display table and bulletin board, or small weekly commitments to help shelve and cover books. Volunteers help make our Library the very special place it is. Please stop by and visit soon!

2011 Archives Report

2011 marks thirty-four years of official existence of the Richmond Archives.

Over this period of time collections of information on the history of Richmond has taken place. Many people have contributed to the Richmond Archives.

Documentation of events, writing, photographs, research, recording of genealogy, the arts, monetary donations, as well as time and interest in preserving/conserving that which pertains to Richmond. Vast changes in our community over two hundred sixty (260) years has, of course, taken place. Considerable changes in growth, decline, and again growth are evident in the material in the collections.

For example, those who seek genealogy of their “roots” will find a treasure trove of information on families who came and lived here participating in the evolution of Richmond.

Our Archives problem for some time concerns space for housing the collections, to work in conserving materials, and for visitors to sit down to retrieve that which they seek.

This year an account has been set up (by the Library Trustees who are guardians of the Archives). This account is called the Richmond Archives new building donations fund. This was made possible by the generous donation given by one of our patrons doing research in the Archives.

We are grateful and thank all for contributions of many donors—donations of every kind, and to the Town for archives support. Volunteers provide not only support in getting work done, but in personal satisfaction of having helped without financial reward. Today is history tomorrow. The who, where, when and why in Richmond’s 260 years is available.

The Archives is open by appointment. Please have your specific request clearly stated when you call for an appointment (603-239-4598). Open March 1st 2012

Richmond Police Department

2011 ANNUAL REPORT

2011 was a busy year for the Richmond Police Department. There were over 800 calls for service. Over 300 motor vehicle stops were made, and the Department responded to and investigated 14 burglaries, 11 thefts, and multiple incidents of vandalism, reckless operation, harassment, domestic disturbance, prowlers, and suspicious persons. 39 motor vehicle accidents were covered by our Department, and overall 9 arrests were made, resulting in 15 charges.

Of particular note is a pair of arrests which occurred in January of 2011, when a suspicious vehicle led to a motor vehicle pursuit, and then a foot pursuit into the woods of Richmond. Multiple area law enforcement agencies assisted with the pursuit and subsequent apprehension, including the New Hampshire State Police including the State Police helicopter and K-9 Ranger, Cheshire County Sheriff's Office, New Hampshire Fish and Game, Fitzwilliam Police Department, Swanzey Police Department, Troy Police Department, Harrisville Police Department, and Winchester Police Department. The two men arrested were later tied to multiple burglaries in Richmond and other area towns, as well as in Massachusetts, and have since been convicted and sentenced in Cheshire County Superior Court.

The 2011 Bike Rodeo put on by the Department during the neighborhood picnic was a great success. A variety of prizes were secured through local businesses in Richmond and Keene. We were very happy to be able to give all of the children who attended a prize. Thanks to all of the hard work, every child left the rodeo with a prize or gift of some sort. The members of the police department and its volunteers worked hard to distribute the prizes, as well as child identification packets. All of the children had a lot of fun participating, and the entire day was a great success. We hope to build on the event each year, adding new and exciting things for the children to do.

In 2011 Officer Nate Jette left the Department to pursue other interests. Neither of these two vacancies were immediately filled. Chief Andrew Wood stepped down, serving as full-time Chief for the town of Hancock, and continuing to serve as Lieutenant and Police Prosecutor for the Richmond Police Department. I was offered and accepted the position of Chief of Police for the Town of Richmond.

Continuing to maintain the Richmond Police Department behind the scenes is Secretary Lynn Adams. Lynn's hard work makes the Department run smoothly, and we are very fortunate to have her on our team.

I look forward to serving the people of Richmond as we face the challenges of the year ahead.

Brendan A. Bosquet

RICHMOND RESCUE SQUAD

2011 was not as busy as years past. (Always a good thing.) Your rescue squad responded to 44 calls, 13 of which were motor vehicle accidents. The remaining 31 calls were for medical or trauma emergencies.

An EMT Basic course was given at the fire station from Sept. through Dec. If there is any interest in the near future a "First Responder" course could be made available. The need for volunteers is an on-going thing. Please consider the rescue squad. We meet once a month at the fire station, third Wednesday at 7:00. Stop in and see what we're all about!

As always, we are most thankful for the continuous support from the town and the families of our volunteer members. Volunteers are a precious resource for any town. May we all have a safe and healthy 2012!

2011 Annual Report

The Richmond Conservation Commission held its regularly scheduled meetings, work sessions, and site reviews.

The commission responded to two separate issues, one regarding wetland impacts and the other involving removal of aquatic vegetation from Cass Pond. The commission was able to mitigate them through education of wetland impacts, state regulations, and with cooperation of the landowners involved.

In an effort to promote a more diverse early successional habitat within the Bennett Town Forest the commission solicited competitive bids from qualified contractors to mow tall saplings on a 4.5 acre area within a former Red Pine plantation that was clearcut several years ago. The successful bidder was Dan Randall of Northfield, MA who completed the job in December. The commission intends to actively manage this area as shrub grassland habitat to enhance wildlife usage.

As a reminder, The Richmond Conservation Commission holds its regularly scheduled meeting on the 1st Thursday of every month at 7 pm at the Civil Defense Building unless otherwise posted.

RICHMOND PLANNING BOARD 2011 REPORT

Your Planning Board had another busy year. We worked on updating the Zoning Ordinances, revised the Subdivision and Site Plan Review regulations, re-wrote the driveway application for the Board of Selectmen, updated our Rules of Procedure, and approved several applications. We also welcomed two new members to the Planning Board; Lloyd Condon, Deborah Duffy and Jon Pratt. We created the position of Land Use Assistant which is filled very competently by Kim Mattson.

The Zoning ordinances have been reviewed and updated by the Zoning Board, Planning Board, and consultant Carol Oglivie who was hired for the purpose with funds approved at last year's town meeting. We had many workshops during the year that were attended by members of the public and also have had hearings to allow public input. We feel that the changes that will be voted on at this year's town election/meeting reflect clarification and updating of these ordinances that will bring them in line with current state and federal laws as well as the expressed wishes of our town citizens.

The Planning Board's review of our Subdivision Regulations and Site Plan Review procedures showed that they were in need of corrections and revisions. We formed committees to make the necessary changes and after several public hearings adopted new regulations. They are available for viewing on line and at the Town Offices.

The Board of Selectmen asked the Planning Board to write a driveway application regulation. We did this to help the road agent with standards that will be the same for every applicant.

Our rules of procedure had not been updated in more than twenty years. The major change was the section that defines the Land Use Assistant duties and the procedure for replacing members who have resigned.

A site plan, a three lot subdivision, and an excavation permit application were all approved by the Planning Board this year. We also approved tree trimming/cutting for Public Service Company's re-location of their service lines from Tully Brook Road to Greenwoods Road.

Lloyd Condon has been newly elected to the Board. He was a member in the past and brings his past experience on the Planning Board and the perspective of the Zoning Board of which he is currently a member. Jon Pratt has been appointed to fill Deborah Duffy's position as an alternate. Jon is new to this but will provide a fresh perspective. Deborah Duffy became an alternate member of the Planning Board replacing Bill Watt, and later was appointed to fill the vacancy created when Peter Majoy resigned. Peter and Bill were valuable members of the Board and we will miss their hard work and good humor.

Butch Morin has been re-appointed by the Planning Board to the position of Commissioner to Southwest Regional Planning Commission. Butch will represent us at meetings of the Regional Planning Commission and report to us on their activities concerning new rules, laws, and available aid to town planning and zoning boards such as training or possible program funding.

The greatest change for the Planning Board has been the creation of the Land Use Assistant position and the hiring of Kim Mattson to fill it. She takes minutes at the hearings, publishes and posts notices for the board, keeps us updated on law and rule changes, and is currently working

on organizing our files and records at the CD Building and Town Offices. All this is being done with NO increase in our budget. We believe that the amount of work done by the Planning Board this year would not have been possible without the help of the Land Use Assistant.

Several members of the Planning Board attended seminars and training sessions at the Local Government Center. This training is important to keep us informed of proper procedures and laws that help us to serve the town more efficiently and cooperatively.

Respectfully submitted,

Your Planning Board,

Richard Drew, Chairman; Rick Lewis, Vice Chairman; Deborah Duffy, Secretary; J.C. Boudreau Selectmen's Representative; Norma Thibodeau, Robert Coy, Lloyd Condon, Alternates: Jon Pratt, Geraldine Lutz, and Butch Morin.

The Board members participated in two educational conferences; one sponsored by the OEP (Office of Energy and Planning) an all day Saturday conference held in Manchester, and one sponsored by the LGC (Local Government Center) held in three evening sessions at Antioch.

The Board would like to express their gratitude for the continued support of the Richmond residents. The addition of a Land Use Assistant has enabled us to spend more time on substance and administrative procedures and less time with processing paper work. With a Land Use Assistant the continuity of procedures allows for a smooth transition of new members.

Recreation Committee Report-2011

This was another great year for the Recreation Committee. The first party held was an Easter Egg Hunt. This was an event that had not been done for a while but I think was truly missed. It was a chilly morning but we still had a great turn out. The children met at the pavilion and enjoyed a scavenger hunt for eggs. To warm us up after the hunt the children were treated to hot chocolate and doughnuts.

The next event we had was the Summer Kick-off party. This party was also held at the pavilion and was sponsored by the Recreation Committee and the Town Library. We had a carnival theme complete with games, prizes and a barbecue.

I think all who came had a great time. Thank you Wendy O'Brien for all of your help.

This year the Recreation committee also helped to sponsor a Committee Dinner. With the help of many volunteers everyone in town was invited to The Veteran's Hall for a free dinner and dessert. This was a great night filled with music and a chance for catching up with old friends. We look forward to another committee night this year.

Next came an old favorite, the Children's Halloween Party. The children came in costumes and were treated to many snacks and crafts. The children enjoyed games such as the mummy wrap and candy bar bingo. This party is always so much fun for all.

Our final party this year was our Christmas Party/Parents Night Out. Parents were able to drop their children off or stay and enjoy the fun. The kids enjoyed a pizza party with punch and sweets too. This year we had many tables set up with different crafts and projects. The children were able to make and wrap their own Christmas presents for their families or just enjoy a night of crafts with their friends. A fun time was had by all.

The Recreation Committee would like to thank you all for your help and support in making these parties such a success. We look forward to another great year.

If you are interested in joining this committee or volunteering at the parties please call Heather Remick at 239-8997.

Sincerely, Heather Remick

Winchester/Richmond Solid Waste Management District 2011 Annual Report

The NH Department of Environmental Services requires Winchester to monitor the old capped landfill for a period of 30 years. A total of 4 reports are generated and sent to the State annually. This past year marked the half-way point (15 years) with results confirming everything is in good shape. Testing and maintenance includes: check for erosion (loam and seed if needed) surveying settlement platforms, checking and cleaning drainage swales, mowing twice a year, testing surface water and ground water, and methane gas testing.

The following is a list and approximate amounts handled at the Transfer Station:

*Municipal Solid Waste (household rubbish)	1,604.25 tons	Glass	77.00 tons
Co-mingled (tin, aluminum, plastic)	56.09 tons	Metal	80.00 tons
Mixed paper including cardboard	173.70 tons	Tires	3.00 tons
**Construction and Demolition debris	105.49 tons	Waste Oil	900.00 gal.
***Textiles (Planet Aid containers)	4.40 tons	Compost	180.00 c.y.

Again this year we have seen a blatant disregard for rules and regulations governing our brush pit area. Legally we are allowed to accept and burn unpainted and untreated wood, brush or slash less than 5" in diameter. What we find is plywood, pressboard, painted or stained wood, hay, straw, grass clippings, pine needles, glass, metals, plastic, tires and many other illegal materials. Many years ago the town lost the privilege to burn brush and if this happens again all will suffer. Report any illegal dumping of materials to the attendant with their plate number.

Residents in Winchester can take advantage of the household hazardous waste collection days to dispose of items such as lead base paint, antifreeze, pesticides, mercury containing items, charcoal starter, etc. The product can be taken to the Keene Recycling Center on route 12 on days advertised in the Monadnock Shopper and The Keene Sentinel. No cost is charged for this service because it is funded through a grant and a line item in the budget.

Stickers to gain access to the facility are available at both Richmond and Winchester town halls, and at the Transfer Station. The cost is \$20.00 for the first household permit and \$1.00 for other vehicles at the same residence. The stickers are valid from October 1st through September 30th each year.

Transfer Station hours: Tuesday 8-4, Thursday 8-7 Phone: 239-8136

Respectfully submitted,
John F. Gomarito
Landfill Superintendent

*MSW largest increase ** C&D largest decrease
***Textiles most surprising – clothes, shoes, pocket books (Good Job!)

FOREST FIRE WARDEN'S ANNUAL REPORT

The 2011 forest fire season was an uneventful one due to the tremendous snowfall we received last winter. The snowfall was followed by heavy rains throughout our normally dry periods in early summer and fall. Another contributing factor to our "successful" fire season was "smart" burning by you, the residents of Richmond. By following the RSA's set forth by the State of New Hampshire and using common sense, only a few verbal warnings were necessary. Zero written warnings and fines were issued by the deputy wardens or myself.

We all hope the upcoming seasons will bring equal success, but should the need arise, be comforted in knowing that all your wild-land firefighters, in the Town of Richmond are very well trained and experienced in wildfire suppression. Because of the department's training and "hands-on" experience, we are often requested to fight wildfires throughout southwest New Hampshire and northern Massachusetts.

Respectfully submitted,

Fire Warden, Ed Atkins

Deputy Wardens:

Mike Pearsall

Jim Mountford

Melanie Ellis

Buzz Shaw

Mike Bailey

And the rest of your Richmond Fire Department

Comfort, care and support
when home is where you want to be . . .

December 19, 2011

Board of Selectmen
105 Old Homestead Highway
Richmond, NH 03470

Dear Selectmen:

Enclosed please find the Home Healthcare, Hospice and Community Services Annual Report to Richmond. The Annual Report includes statistical and financial information about the services provided to residents this year.

In 2012, we are requesting an appropriation of \$1,000.00 for home care services in Richmond. Services will include visiting nurses and rehabilitation therapists that help residents to recover at home, and support services that assist those with chronic illnesses and long term care needs to remain independent at home. In addition, Nurse Is in clinics, prenatal and well child care, adult day services, geriatric care management and hospice services are available to residents.

In 2011, Home Healthcare, Hospice and Community Services continued providing care to residents even though no town appropriation was made for services. Agency fundraising dollars were used in hopes that the town would be able to support services in 2012. Due to the many cutbacks that we have received from other sources, our fund raising dollars must be spread among many programs and communities in the coming year, and we hope that the town can provide some much needed support for uninsured and low income residents. The town's assistance is critical to continue care to residents and allow them to remain at home and in the community. We do make every effort to seek funding for patient care from a variety of sources; and the town does continue to be the payer of last resort.

Thank you for your consideration of our request. Please do not hesitate to contact me at 352-2253 if you have any questions about our services or this request.

Sincerely,

A handwritten signature in cursive script that reads "Susan Ashworth".

Physical Therapy	101 Visits
Occupational Therapy.....	18 Visits
Medical Social Work	83 Visits
Home Health Aide	422 Visits
Maternal and Child Health Services	4 Hours
Meals On Wheels.....	156 Meals
Adult Day Program.....	1,881 Hours

Total Unduplicated Residents Served: 47

Geriatric care management services, hospice services and Nurse Is In clinics are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 2011 with all funding sources is \$192,503.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees.

For 2012, we request an appropriation of \$1,000.00 for home care services in Richmond.

For information about services, residents may call (603) 352-2253 or 1-800-541-4145, or visit www.HCSServices.org

Thank you for your support of home care services.

Office of the Selectmen
Town of Richmond
105 Old Homestead Highway
Richmond, NH 03470

Dear Selectmen:

I am writing to request that The Community Kitchen, Inc. (TCK) be placed either on your 2012 Town Meeting warrant or in your Town budget, for an operating budget request in the amount of \$2,500.00.

In setting our request amount, we try to balance the amount of use the individual town has made of The Kitchen in the last year with the town's ability to pay. Between January 1, 2011 and December 31, 2011, The Community Kitchen distributed 137 boxes of food, containing 5,666 meals, to residents of Richmond for a total cost to The Community Kitchen of \$4,929.42.

Attached is information about our distribution to residents of Richmond, including how many of the people served were under age 19 or over age 59. The average cost per meal to The Community Kitchen is \$0.87 which covers all of our costs - including salary, property and liability insurance, vehicle operation and maintenance, utilities and food purchases.

Not included in the \$0.87 is the actual value of the donated food as well as the hundreds of hours of volunteer time and other in-kind donations we receive. If we factored these in, the \$0.87 cost per meal would jump to over \$5.50 per meal. As you can see, in terms of value received, the \$2,500.00 we are requesting is far less than what the actual cost would be.

An average of 525 families, come to the Pantry for food assistance every week. We ask for written proof of names, ages, addresses and income for each member of every household. A typical week's box will contain yogurt, bagels, bread, pasta, sauce, meat, fresh fruits and vegetables, soup, dessert items and personal care products. Approximately 60% of the items we distribute are donated from local wholesalers, retailers and restaurants. We purchase food from sources such as the NH Food Bank in Manchester, where we are charged \$0.18 per pound to cover transportation costs.

The Hot Meal program serves meals Monday through Friday, from 5:00 - 6:30 pm at our building on Mechanic St., Keene. In 2011, over 27,500 meals were served. Although we serve dinner to residents of most Cheshire County towns, we are not requesting reimbursement for those meals.

If you are interested, I would be happy to set up a time for a meeting or phone conversation with you in order to answer any further questions you may have.

Sincerely,

Phoebe Bray
Executive Director

REQUEST FOR FUNDING PROPOSAL
TO THE
TOWN OF RICHMOND, NEW HAMPSHIRE

AGENCY NAME: The Community Kitchen, Inc.

DATE: January 23, 2012

1. Briefly describe the role of the agency:

The Community Kitchen, Inc., is a not-for-profit, direct service agency which provides hot meals, take-home boxes containing food and personal care items, information and advocacy to low and moderate income men, women and families with children in the Cheshire County, NH area. Since its founding in 1983, the Kitchen has served and/or distributed over 13 million meals to people in need.

2. Identify the services that Town funding will provide:

Our Pantry Program distributes take home food boxes on Wednesdays from 12:30 pm to 5:30 pm and Thursdays from 11:00 am to 4:00 pm, as well as emergency food boxes to walk-ins and referrals from Town and City Welfare offices and other agencies. Each box provides approximately three meals per day for three days for each family member. Computerized and handwritten records are kept of family names, number of people, street addresses, income and age. Each family or individual coming in for the first time must fill out a form required by the USDA, and provide back-up documentation for all of the above information. Almost 60% of the food for this program is donated, and an average of 720+ volunteer hours each month are donated by community members to ensure the success of the program.

Hot meals are served Monday through Friday from 5:00 to 6:30 pm at our Mechanic Street location. Meals are prepared by a volunteer crew under the supervision of the Hot Meals Coordinator. Menus are planned after donated food is picked up at supermarkets, restaurants and bakeries. Meals consisting of a meat entrée and a vegetarian/vegan entrée, a salad/salad bar, (3) vegetables, fruit, bread, (2) soups, dessert and beverages are served by volunteers. Although no funding is being requested for this program, we thought you would find this information helpful.

3. a) Number of clients served 01/01/11 to 12/31/11 at the Pantry:
Unduplicated individuals: 3,846
Unduplicated households: 1,589
b) Number of those who were Richmond residents:
Unduplicated individuals: 41
Unduplicated households: 10
c) Number of above unduplicated Richmond clients served who were
under age 19: 18
d) Number of above unduplicated Richmond clients served who were
over age 59: 6
e) Number of Pantry boxes distributed 01/01/11 to 12/31/11: 25,025
f) Number of those Pantry boxes distributed to Richmond residents: 137
g) Number of meals in pantry boxes distributed 01/01/11 to 12/31/11:
469,055
h) Number of those meals in pantry boxes distributed to Richmond residents:
5,666
i) Cost to Community Kitchen of pantry meals provided to Richmond residents
through 12/31/11: \$4,929.42
j) Percentage of total pantry box meals provided to residents of Richmond: 1.21%

J. Boudreau
Board of Selectmen
Town of Richmond
105 Old Homestead Hwy.
Richmond, NH 03470

Dear J.,

On behalf of Court Appointed Special Advocates (CASA) of New Hampshire, I am writing to respectfully request inclusion in the Town of Richmond's 2012 budget.

CASA is a statewide, nonprofit organization that recruits, screens and trains volunteers to advocate for abused and neglected children in New Hampshire courts. As these children navigate the confusion of the court and foster care systems, CASAs/guardians ad litem help to ensure their best interests are always being considered. Because CASA volunteers carry only one or two cases at a time, they are able to create a clear picture of the child's needs. This process includes meeting with the child regularly, gathering information from parents, teachers and others as well as assisting in helping to make sure that parents receive the services they require to ensure a safe home for the child. If reunification is not possible, CASAs advocate for an alternative, nurturing, permanent home.

The children CASA serves come from communities across the state, including Richmond. In Cheshire County, CASA served 88 children during 2011. This number includes children who use Richmond schools and resources and live with foster parents or extended family members in your community.

CASA volunteers also come from across the state and donate many miles and hours to fulfill their duties. Thanks in part to financial support from cities and towns, CASA provided court advocates for 82% of the abuse and neglect cases in the State in 2011 and supervised 457 volunteers. These volunteers traveled 419,181 miles and spent 44,848 hours speaking up on behalf of those who cannot speak for themselves.

CASA believes that when appropriate intervention happens at a critical time in an abused child's life, the cycle of violence can be broken and their life can take a path that allows them to become healthy productive adults contributing to our communities throughout New Hampshire. We respectfully request your consideration for funding of \$500 in your 2012 budget. With Richmond's donation, CASA can continue to make a difference in an abused child's life.

For additional information, please call 626-4600 or visit our website, www.casanh.org.

Board of Selectmen
Town of Richmond
105 Old Homestead Highway
Richmond, NH 03470

Dear Selectpersons,

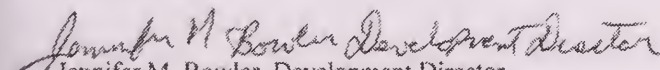

As you know, Monadnock Family Services is actively serving members in your community through the provision of quality mental health counseling services to anyone who needs them regardless of their ability to pay. MFS offers a variety of services for persons who experience a range of personal mental health problems, including mental illnesses, emotional and psychological issues. Our substance abuse programs help people to develop new healthy behaviors, and to make positive changes in their lives, while our family programs give new mothers the tools they need to bring happy and healthy children into the world. MFS also offers prevention services for youth at risk of substance abuse and mental health problems.

The cost to MFS to serve uninsured persons has increased steadily with more people seeking help and care, but who cannot afford to pay. Your ongoing support of our work is deeply appreciated, and we hope that our partnership in caring for the residents of Richmond will continue. We pursue many other sources of funding, such as The Monadnock United Way, grants and conduct additional fundraising efforts through our Board of Directors. Each source helps with only a portion of the total cost of care.

We thank you for your many years of financial support and ask for your continued allocation to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your community. Therefore, based on figures from the 2011 population estimates from the NH Office of State Planning, we are asking for the equivalent of \$1.25 for each resident of the town, which for the town of Richmond, amounts to \$1443. We have enclosed information for you about the services provided to residents of your town. If you have questions, or would like more information provided, please feel free to contact Lisa Sullivan at 283-1558.

Again, your support is very important to us. By working together, we help to insure our communities remain healthy and vital places to live, work and grow. Thank you for your consideration.

Sincerely,

Ms. Sandra Gillis, Chair
Board of Selectmen
105 Old Homestead Highway
Richmond NH 03470

Dear Chairwoman Gillis,

On behalf of Southwestern Community Services, Inc., I wish to thank you once again for last year's appropriation for our agency.

As we have in years past, we are asking the local communities with which we work to consider a small appropriation to assist with our outreach effort. Although our costs have risen, as have yours, I am sure, we are trying to keep our new request as low as possible, knowing that resources are limited.

I am enclosing an updated list of resources and services that Southwestern Community Services delivered to the residents of Richmond during the past year. Upon completion of your review, we respectfully request that we be placed on your town warrant to ask the voters to appropriate the sum of \$950. This will allow us to continue the outreach and service delivery in Richmond at the same level as in the past.

We look forward to continuing the excellent working relationship that we have had with Richmond over the past forty-plus years.

In closing, I would be happy to meet with the Board of Selectmen or Budget Committee, or any group you suggest in an effort to further detail the significance of our request.

I can be reached at (603) 352-7512, extension 4123. I look forward to hearing from you in the near future.

Sincerely,
